Shemayisrael Shulchan Aruch Study Program We are pleased to announce that Rav Channen will be continuing with a new series of shiurim on Hilchos Pesach. They will follow the style of the Issur V'heter shiurim. The course will begin Rosh Chodesh Elul (September 4) and will take 8 months. We aim to finish in time for Pesach 5766. The shiurim will be disseminated on Sundays and Wednesdays from Israel. Questions are accepted at all times. printer friendly Heading the new service at ELS is

Thorkild Fougner who has the title Translation Operation Support Manager. Thorkild explained that for some ten years ELS has been operating as a national language support interface organisation between IBM's own information development laboratories, and the IBM translation centres established in individual countries. There are today 19 such national translation centres in Europe, handling 25 languages, and soon the figure will increase to 25 national translation centres with the addition of new centres in Central and East European countries such as Russia, Hungary, Poland, and the Czech Republic.

Generic Online Pharmacy - Buy Generic Viagra Online. Kamagra, Cialis, Levitra ::

More and more we speak of the effects the generic medicines produce in comparison with their original counterparts. These medications are intended to produce the same results using herbal or alternative ingredients, but the truth is that these components can be more harmful and damaging for the user's health, than the side effects of the brand-name drugs. This also touches the medicines in the category of erectile dysfunction treatment, as Viagra, Cialis, and Levitra, who are mostly popular among males for their ability to produce good and hard erections.
